

East Hartford Softball Sponsorship Information

East Hartford Softball Inc. is a nonprofit softball association established to develop young athletes on and off the field. EHSB is committed to providing our softball community with year-round opportunities for positive mentorship and high-quality skill development, promoting positive growth and fostering an enjoyment of softball.

Our goal is to provide the opportunity for every player at every level to develop their fundamental skills, strategic aspects of the game, and physical well-being. We want all players to have fun, regardless of ability, while learning responsibility, good sportsmanship, teamwork, respect for self and others, and a capacity to learn from both winning and losing.

We partner with parents and players to achieve these goals, understanding that only through commitment, hard work, and a positive attitude, will we succeed both on and off the playing field.

Thank you for your interest in supporting EHSB and representing our community of softball players. We are a 501(c)(3) registered organization and look forward to partnering with your business. We have several sponsorship packages available. All sponsorship donations will be applied to enhancing the East Hartford Softball players' experiences and keeping registration fees affordable.
